MCCLELLAN PARK TEAMS UP WITH LOCAL BUSINESSES FOR AN E-WASTE RECYCLING CAMPAIGN TO BENEFIT THE TWIN RIVERS UNIFIED SCHOOL DISTRICT

McClellan, CA, (May 1, 2009) – McClellan Park, formerly the McClellan Air Force base, and Sims Recycling Solutions, the World's leading electronics recycler, teamed up to launch a month long e-waste recycling campaign within their large community of businesses. At the end of the program Sims Recycling Solutions agreed to donate part of the proceeds to the Twin Rivers Unified School District to show their commitment to the community at large.

Over the month of April, Sims Recycling Solutions and McClellan Park offered an easy way for businesses to properly dispose of their e-waste by placing boxes at select locations throughout the park businesses allowing employees to get rid of any outdated electronics. At the end of the program Sims Recycling Solutions collected the boxes with the unwanted electronics and took them back to their facility to be processed and recycled. Through this recycling program, Sims Recycling Solutions donated \$622.00 to the Twin Rivers Unified School District, contributing to the education of the children in the Sacramento community.

Sims Recycling Solutions and McClellan Park would like to thank the following businesses that contributed and helped make this donation possible; McClellan Park Corporate Office, Visions Paint Recycling, Inc., Technikon, Quest, Beutler Heating & Air, Tetra Tech, Sacramento Container Corporation, General Dynamics, Battery MD, and Pyro Spectacular.

About Sims Recycling Solutions – Sims Recycling Solutions is the World's leading electronic recycler with over 250 operations worldwide. The Roseville location is unique to the Sacramento area because it is ISO 14001, and the 200,000 sq. ft. facility where the recycling process is conducted is powered by renewable energy. Sims Recycling Solutions is committed to making a difference in the environment by not exporting or creating landfill of electronic hardware.

About McClellan Business Park, LLC – The County of Sacramento selected McClellan Business Park, LLC, in 1999 to acquire and redevelop McClellan Air Force Base. McClellan Air Force Base was renamed McClellan Business Park (McClellan Park) in 2001. McClellan Park boasts a fully operational airport, full-service hotel, fitness facility, rail system, office, industrial, retail and dormitories. The project consists of 3,000 acres with approximately 8.5 million square feet of useable buildings and 500 acres of developable land and is fully entitled for over 16 million square feet of commercial, retail, office and residential.
